After the manufacturer has disposed of the products (and destroyed the stamps, if any), he shall execute a certificate on both copies of the schedule returned to

him by the regional director (compliance), to show the disposition and the date of disposition of the products (and stamps, if any). In connection with a claim for allowance the manufacturer then shall return the original of the schedule to the regional director (compliance) who authorized such disposition, who will cause such schedule to be associated with the claim, Form 2635 (5620.8), filed under § 40.282. When an ATF officer is assigned to verify the schedule and supervise disposition of the tobacco products, such officer shall, upon completion of his assignment, execute a certificate on all copies of the schedule to show the disposition and the date of disposition of the products. In connection with a claim for allowance the officer shall return one copy of the schedule to be included in the manufacturers records, and in connection with a claim for credit or refund, the officer shall return the original and one copy of the schedule to the manufacturer, the original of which the manufacturer shall attach to the claim, Form 2635 (5620.8), filed under § 40.283.
